

Praying for our nation

On Thursday April 11, I was moved by Dutch Sheets "Give Him 15" post and the "Pray with me section" he ends each post with. His post was about how powerful Mt. 18:19 is when "two or more agree as touching anything," it will be done by our Father in heaven. He said: *God appreciates it when millions of people agree together in prayer for His purposes to be established on Earth. It attracts His presence, moves His heart, and multiplies His power flowing from us.* This was his prayer that day, and I believe God would have us all agree with this appeal to God's throne:

"Father, the orchestra of Your kingdom does more than sing praises; it agrees in prayer. And when it does, You said it attracts You and multiplies Your power. We harmonize together this day, recalling various themes You have asked us to pray for:

- We break the power of darkness and deception over prodigals and call them home.
- We ask You for a billion soul harvest throughout the nations of the Earth: to Jews, Muslims, Hindus, atheists, and every other group of people. We bind the Prince of Persia in the Middle East and all of its allies.
- We ask You for a great harvest of young people here in America and around the world - the largest ever.
- We ask for signs, wonders, and miracles to take place.
- We ask for great deliverance to come to those bound by demons, false ideologies, wounds, and any other tool of darkness. We ask You to heal the brokenhearted and set free those held captive.
- We ask for evil to be exposed in our nation, and a purification of our government.
- We ask that life would be cherished and that death, including to the unborn, would be abhorred.
- We ask that the church be awakened from passivity and complacency and that Your fire would bring revival to believers throughout this nation and the world.
- We ask for the complete restoration of America to Your purpose and destiny.
- We ask for human trafficking to be exposed and ended.
- We ask that racial division be healed and that love and compassion sweep throughout our land. We pray that those who divide us for selfish reasons be exposed.
- We ask all of this in the all-powerful name of Jesus." AMEN!!
